The 2010 Ragnar Relay Great River is committed to promoting awareness and raising money for Bolder Options.

### **What is Bolder Options?**

Bolder Options is an innovative agency that works to reduce truancy and juvenile delinquency by offering an activity-based mentoring program that matches youth with adult mentors who participate together in goal-centered, one-on-one relationships. Each youth is paired with a mentor. Together, they will spend 200 hours throughout the year working on academic, athletic, and social goals. The mentors train with the youth to compete in running or biking events, work on homework and volunteer in community service projects. Visit [www.bolderoptions.org](http://www.bolderoptions.org) for more info.

Mission: Teaching Youth to Succeed in ALL of Life's Races.

### **Raising Money for Bolder Options**

As participants of the Ragnar Relay Great River, each team has the opportunity to support Bolder Options in its mission to reduce juvenile delinquency through running and biking.

Donate for Volunteers: Each "local" team is required to provide 3 volunteers for the race. Teams can recruit the volunteers themselves or have Bolder Options do it for them. By donating \$120 per volunteer, Bolder Options will provide the volunteers that will fulfill the team's requirement. Use the "Pay for Volunteer" tool on your team's profile page to take advantage of this option.

Run For The Cause: Dedicate your team's participation by running to promote Bolder Options and raise money. Teams can gather donations for Bolder Options from friends, families, businesses, and team/club sponsors on a fundraising webpage on [Razoo.com](http://Razoo.com). A free Ragnar Relay Team Entry will be given to the team that raises the most money for Bolder Options. The winning team will be determined by the money raised up until August 20, 2010 through the team's [fundraising webpage](#) on Razoo.com. ([Click here](#) for a tutorial on how to create a fundraising page on Razoo.com for your team.)
